The Monthly Lesson Structure 20–22 Lessons

To hit your target of **20 to 22 lessons a month**, structure your weekly cadence as follows assuming a 5-day school week, with flexible pacing during the November, December, and January holiday breaks :

Weeks 1 to 3 Lessons 1–15 : Core instructional lessons introducing the month's target vocabulary, phonics, morals, and general knowledge themes.

Week 4 Lessons 16–20/22 : Dedicated **Review, Remediation, and Gamified Integration** weeks, where kids practice what they learned in the live lessons and complete their virtual garden milestones in the AI app.

Sample 22-Lesson Roadmap (Level 1 Month 1)

Week 1: Focus on Letter A, the Color Red, and the Sun. The goal this week is to establish the routine, introduce the first color, and anchor the Christian worldview that God created the bright sun.

Week 2: Focus on Letter B, the Color Blue, and Trees. This week introduces environmental stewardship by learning to say hello to trees, paired with the color blue.

Week 3: Focus on Letter C, the Color Yellow, and Integration. This week completes the phonetic triplet and introduces the final primary color, linking the yellow sun back to God the Creator.

Week 4 & Extension: Monthly Review, Remediation, and Gamification. Lessons 16 through 22 are dedicated to pure review. No new grammar or vocabulary is introduced. This builds massive confidence for 3-year-olds and prepares them for their AI app achievements.

Lesson 1 – Hello, Red!

Lesson 1 – Hello, Red!

Duration: 25 mins	Unit: Month 1 - My Wonderful World	Age: Little Seeds Age 3
Core Pillars: Sensory English Color Red , Eco-Stewardship Caring for plants, Christian Value God made nature		
Target Vocabulary: Red, Apple, Flower		Target Sentence: "It is red."

1. TEACHER GUIDEBOOK

- **Teaching Goals:** Students will recognize the color red, say "apple" and "flower," and use the phrase "It is red."
- **Classroom Strategies:** Heavy use of TPR. The teacher should bring a real red apple and a red toy flower to class to show on camera.
- **Values Integration:** Teacher explicitly connects the beautiful red items to God's creation and teaches gentle hands with nature.
- **Success Indicators:** The student can point to the red object on the screen and attempt to repeat the words.

2. FULL SLIDE CURRICULUM 13 SLIDES

Slide 1 – Welcome to RemoEd!

- *Art Prompt for Graphic Artist:* Draw a bright, welcoming garden scene. The three main characters—Ed a young, modestly dressed Asian boy , Sophia a young Asian girl with a warm smile , and Remo your AI/mascot character —are waving enthusiastically at the "camera." Ensure the characters display Filipino warmth and joy.
- *On-Screen Text:* Hello!
- *Teacher Script & TPR:* "Hello everyone! [Wave both hands with a big smile] Welcome to RemoEd! My name is Teacher [Name]. Let's say hello to Ed, Sophia, and Remo! [Point to screen] Say: Hello! [Cup ear to listen for student]"

Slide 2 – Today's Color

- *Art Prompt for Graphic Artist:* A clean, white background. In the center, a large, friendly splash of red paint. Ed is standing next to it, pointing at it with a big smile.

- *On-Screen Text:* Red
- *Teacher Script & TPR:* "Today, we have a beautiful color! [Look excited, hands on cheeks] Listen: Red. [Point to mouth] Rrrr-ed. Can you say Red? [Cup ear to listen] Very good! It is red."

Slide 3 – The Red Apple

- *Art Prompt for Graphic Artist:* A large, shiny red apple sitting on a wooden table. Sophia is holding the apple with both hands, looking happy.
- *On-Screen Text:* Apple
- *Teacher Script & TPR:* "Look! What is this? [Point to screen] Listen: Apple. [Hold up a real apple to the camera if available] Say: Apple. [Cup ear] What color is the apple? Yes! It is red! [Clap hands]"

Slide 4 – TPR Action: Eating the Apple

- *Art Prompt for Graphic Artist:* A fun, two-panel comic style. Panel 1: Ed taking a big bite of the red apple. Panel 2: Ed rubbing his tummy, looking very satisfied.
- *On-Screen Text:* Yum!
- *Teacher Script & TPR:* "Let's eat the red apple! [Pretend to hold an apple] Crunch, crunch, crunch! [Make exaggerated chewing motions] Yum! [Rub tummy and smile broadly] The red apple is yummy!"

Slide 5 – The Red Flower

- *Art Prompt for Graphic Artist:* A beautiful, blooming red hibiscus gumamela or rose growing out of the green grass. Remo the mascot is floating next to it, admiring it.
- *On-Screen Text:* Flower
- *Teacher Script & TPR:* "Wow! Look down in the grass. [Point down] Listen: Flower. [Point to mouth] Say: Flower. [Cup ear] What color is the flower? Yes! It is red."

Slide 6 – TPR Action: Smelling the Flower

- *Art Prompt for Graphic Artist:* Sophia is leaning in with her eyes closed and a peaceful smile, smelling the red flower. She is NOT picking it; she is leaving it in the ground.
- *On-Screen Text:* Sniff, sniff!

- *Teacher Script & TPR:* "Let's smell the red flower! [Hold hands like a flower near nose] Sniff, sniff! Ahhhh. [Take a deep, exaggerated breath and smile] The red flower smells good!"

Slide 7 – Eco-Stewardship: Gentle Hands

- *Art Prompt for Graphic Artist:* Ed is holding a small green watering can, pouring water on the red flower. He has a caring, gentle expression.
- *On-Screen Text:* Water the flower.
- *Teacher Script & TPR:* "Do we pull the flower? No, no, no! [Shake head and wag finger gently] We use gentle hands. [Stroke the back of your hand gently] Let's water the flower! [Pretend to hold a watering can and pour] Grow, red flower, grow!"

Slide 8 – Christian Value Integration

- *Art Prompt for Graphic Artist:* A beautiful, panoramic view of the garden with the bright sun above. The red apple tree and the red flowers are glowing. A subtle, warm light covers the scene.
- *On-Screen Text:* God made red.
- *Teacher Script & TPR:* "Look at the beautiful red apple and red flower. [Open arms wide to the screen] Who made the apple? [Point up to the sky] God made the red apple! [Smile warmly] Thank you, God, for the color red! [Clap hands together in a thankful gesture]"

Slide 9 – Game: Find the Apple!

- *Art Prompt for Graphic Artist:* Three distinct items on the screen to avoid cognitive overload: A yellow banana, a red apple, and a blue bird.
- *On-Screen Text:* Where is the apple?
- *Teacher Script & TPR:* "Game time! [Put hands up in excitement] Where is the red apple? [Put a hand over your eyes like you are searching] Can you touch the red apple? [Wait for the student to tap the screen] Yes! It is red! [Give a thumbs up]"

Lesson 18 – Tracing the Forest

Lesson 18 – Tracing the Forest

Duration: 25 mins	Unit: Month 1 - My Wonderful World	Age: Little Seeds Age 3
Core Pillars: Fine Motor Mastery Independent vertical tracing , Eco-Stewardship Forests , Nature Vocabulary		
Target Vocabulary: Forest, Trees, Down		Target Sentence: "Review: Vertical line tracing" e.g., "Trace down."

1. TEACHER GUIDEBOOK

- **Teaching Goals:** Students will master vertical line tracing by drawing multiple "trees" vertical lines in a row to create a forest, demonstrating fine motor control.
- **Classroom Strategies:** Emphasize continuous, independent motion. Have a marker and paper ready to model drawing multiple vertical lines side-by-side.
- **Values Integration:** A single tree is beautiful, but a forest is a massive, complex creation by God that provides a home for many animals.
- **Success Indicators:** The student can trace multiple vertical lines on the screen or paper without stopping in confusion.

2. FULL SLIDE CURRICULUM 13 SLIDES

Slide 1 – Welcome to RemoEd!

- *Art Prompt for Graphic Artist:* A wide shot of a beautiful, green forest. Ed, Sophia, and Remo are wearing hiking gear.
- *On-Screen Text:* Hello!
- *Teacher Script & TPR:* "Hello everyone! [Wave] Welcome back to RemoEd! Today we are going on an adventure! Let's say hello! [Point to screen] Say: Hello! [Cup ear]"
