The Monthly Lesson Structure 20–22 Lessons

To hit your target of **20 to 22 lessons a month**, structure your weekly cadence as follows assuming a 5-day school week, with flexible pacing during the November, December, and January holiday breaks :

Weeks 1 to 3 Lessons 1 - 15

Core instructional lessons introducing the month's target vocabulary, phonics, morals, and general knowledge themes.

Week 4 Lessons 16–20/22:

Dedicated *Review, Remediation, and Gamified Integration* weeks, where kids practice what they learned in the live lessons and complete their virtual garden milestones in the AI app.

Sample 22-Lesson Roadmap (Level 1 Month 1)

Week 1:

Focus on Letter A, the Color Red, and the Sun. The goal this week is to establish the routine, introduce the first color, and anchor the Christian worldview that God created the bright sun.

Week 2:

Focus on Letter B, the Color Blue, and Trees. This week introduces environmental stewardship by learning to say hello to trees, paired with the color blue.

Week 3:

Focus on Letter C, the Color Yellow, and Integration. This week completes the phonetic triplet and introduces the final primary color, linking the yellow sun back to God the Creator.

Week 4 & Extension

Monthly Review, Remediation, and Gamification. Lessons 16 through 22 are dedicated to pure review. No new grammar or vocabulary is introduced. This builds massive confidence for 3-year-olds and prepares them for their AI app achievements.

SAPLINGS (Level 3 - Age 5)

Focus: Phonics blending, short sentences, action verbs, writing first names, sorting trash, app boundaries, anti-bullying, places nouns, four seasons.

Month 1: My Name, My Voice – Lesson Roadmap

TOPICS

Academic: Writing first name, Short vowel blends (Short A)

Eco/Tech: Asking parents before using apps

Values: Recognizing intrinsic self-worth and unique talents given by God, honoring each person

General: Nouns: Home & Family.
